

Other Motions

Move to take the following actions:

- 1) Attorney General (Statewide lawsuits, Settlements, etc.):** Recommend that the Executive Appropriations Committee create and oversee a new line item in the Attorney General's Office to budget for any case settlements, statewide legal action, and board of examiners recommendations. I further recommend that Executive Appropriations Committee consider oversight of Factual Innocence Payments in the budget of the Commission on Criminal and Juvenile Justice. Total amounts for this year's consideration are included in the voting packet on Page 3.
- 2) Factual Innocence Payments:** Recommend that responsibility for the oversight of CCJJ Factual Innocence Payments move to the Executive Appropriations Committee with corresponding funding items in the EOCJ Voting Packet.
- 3) Various Agencies (Performance Measures):** Adopt the following subcommittee level performance measures:
 - a) Violent Crime Rates
 - b) Property Crime Rates
 - c) Prison Population
 - d) Supervision Populations
- 4) Courts (Juvenile and District Court Judges – related to 1e. above):** Make/support the following changes:
 - a) Juvenile Court Judges – Reduce up to \$1,425,400, or the equivalent of 3 juvenile court judges and staff:
 - b) District Court Judges –Reallocate up to \$1,425,400, or up to 3 district court judges and staff.
 - c) Support a bill file to reflect these changes.
 - d) Convert the Juvenile Court program into a stand-alone line item.
- 5) Lt. Gov (Voting Equipment):** Shift \$500,000 ongoing appropriation to the Lt. Governor's Office for voting equipment into the State Elections Grant Fund for a future voting equipment mass replacement.
- 6) Indigent Defense Commission:** Request an interim committee study the proposal of the brief provided by the Legislative Fiscal Analyst including: IDC's Core Principles, similarities and difference in indigent defense across states, effective measures of challenges and metrics for success, and appropriate state support for indigent defense in Utah. I further move to consider the funding proposal for the Indigent Defense Commission as presented by the Legislative Fiscal Analyst Office as a funding item to be included in the priority list presented to Executive Appropriations Committee.
- 7) Juvenile Justice Services:** Letter of support from the Chairs that the Ogden-Weber Technical College continue their relationship with Juvenile Justice Services at the Mill Creek Youth Center and continue provide training and certification for juvenile offenders (draft letter enclosed).
